

Chu Yeon Woo

PERSONAL INFORMATION

Position: Undergraduate Student
Affiliation: Keimyung University, Department of Chemical Engineering, Republic of Korea
Tel: +82-10-5105-6601(mobile)
E-mail: waste1115@stu.kmu.ac.kr

EDUCATION (교육)

Keimyung U g Universty
Chemical Engineering (2019~)

RESEARCH INTEREST & EXPERTISE (관심사)

I am fascinated by nanotechnology in semiconductor processes and eager to explore its applications. My interests lie in nanoscale patterning, precision control, and next-generation device development. Through research, I aim to contribute to semiconductor innovation and become a leading expert in the field.
